15px

15px

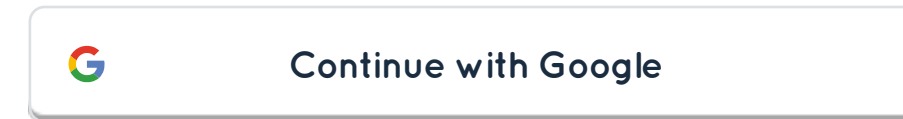

x height of label=14px

Buttons > Social

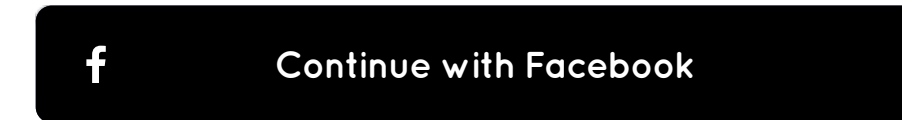

Normal

Hover

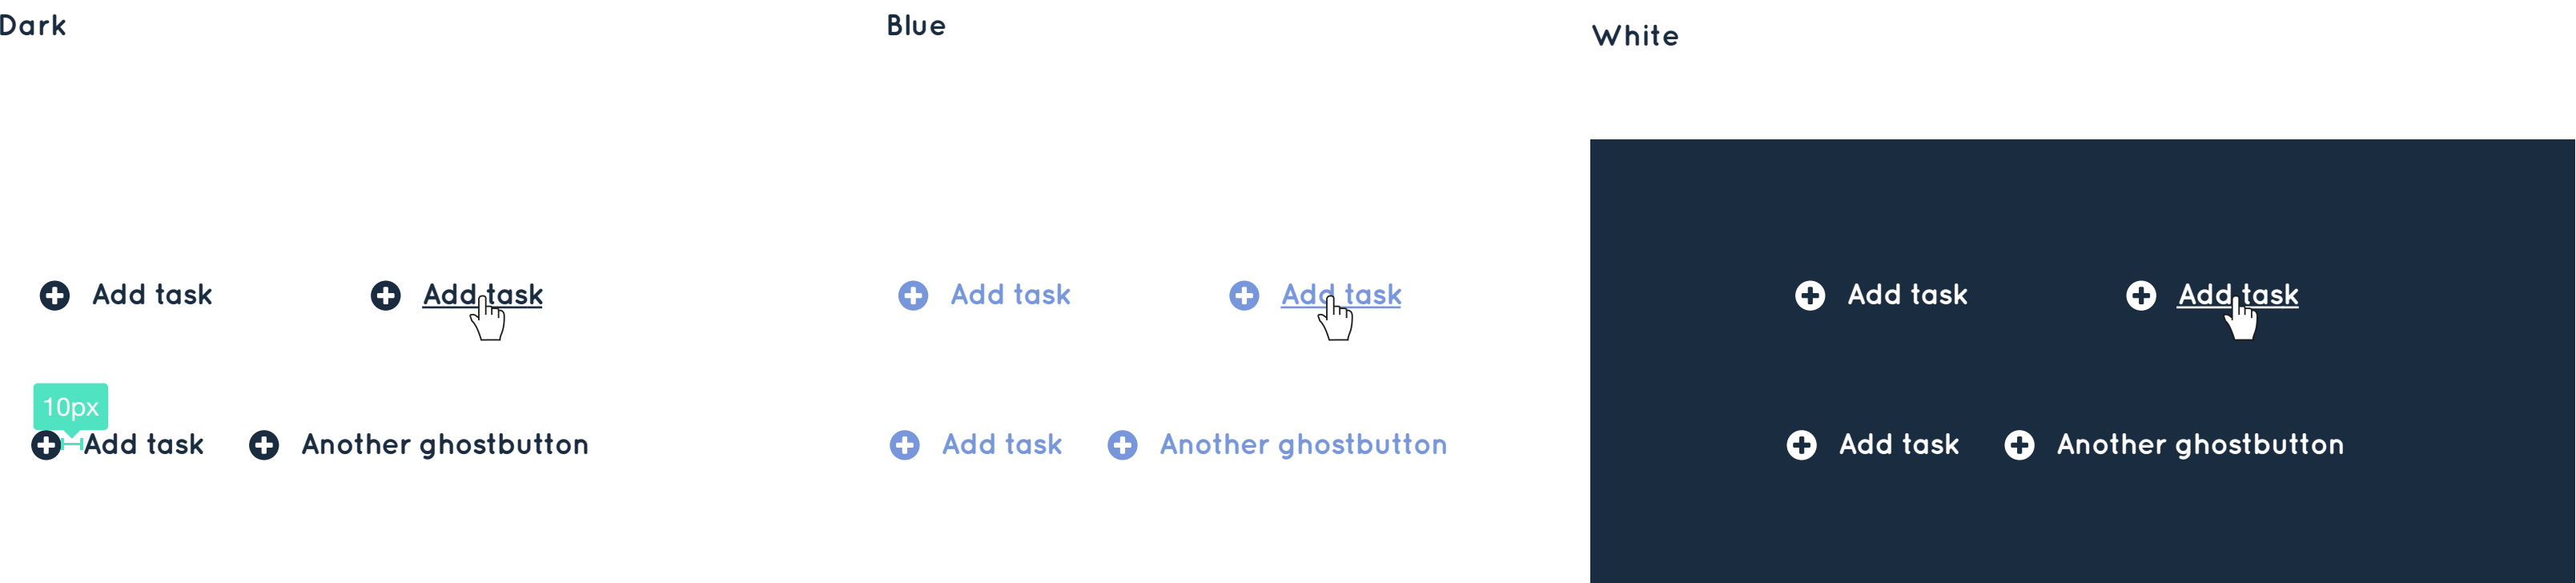

Active

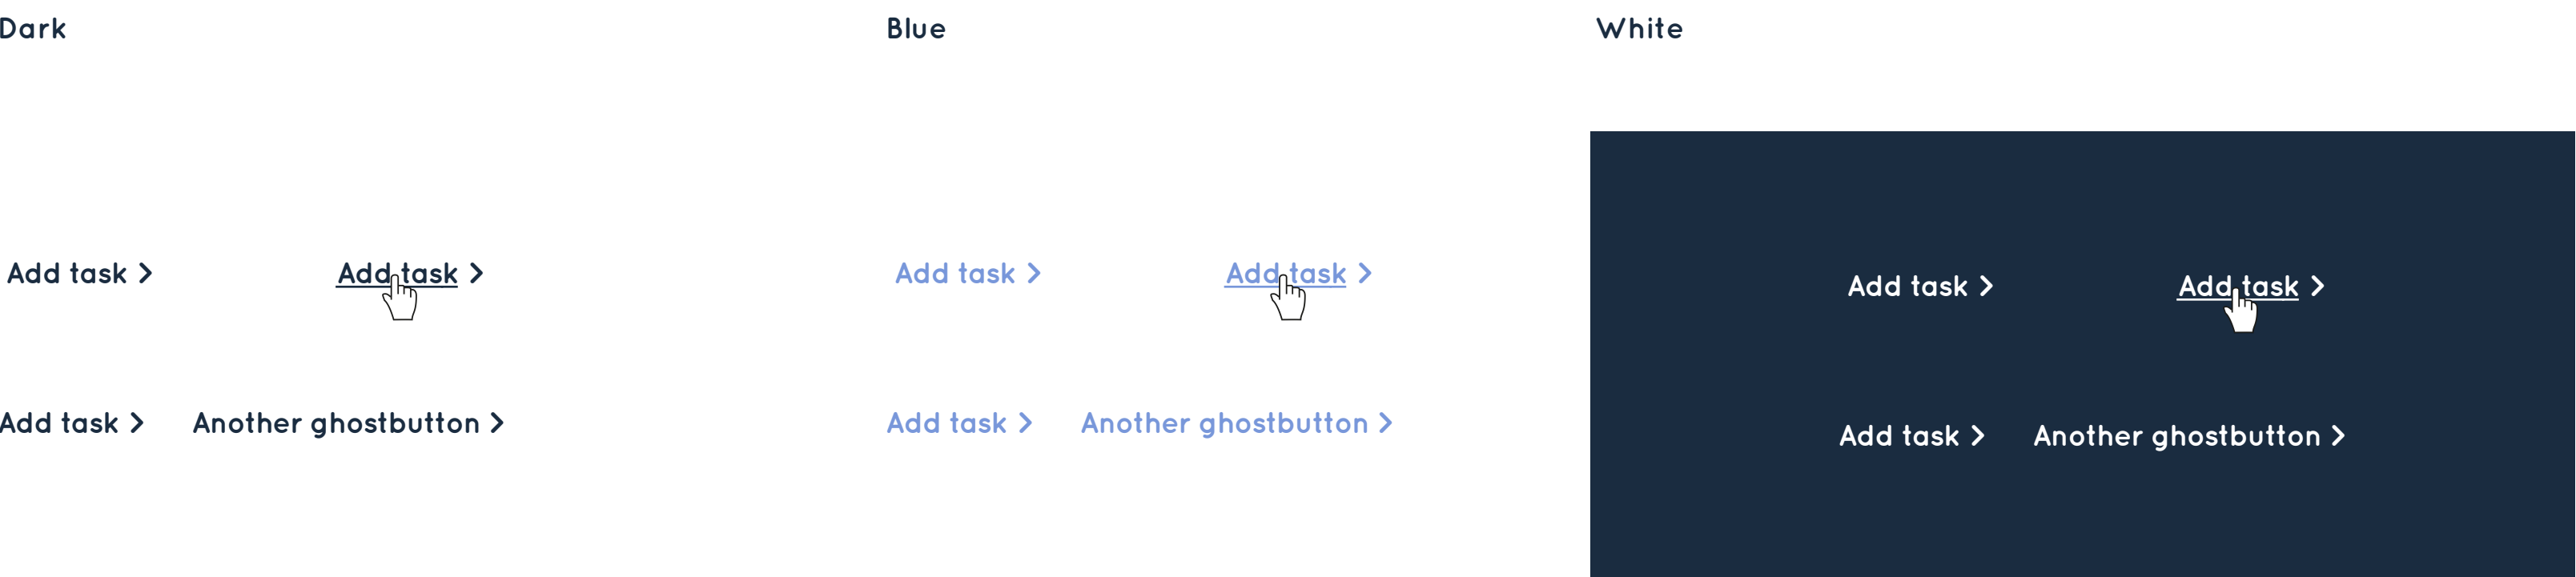

Buttons > Ghostbutton

Ghost button with icon

Ghost button without icon – always add ‘>’

Position in layout

Coventry is a city with a thousand years of history that has plenty to offer the visiting tourist. Located in the heart of Warwickshire, which is well-known as Shakespeare’s county, there are easy transport links to historic Warwick, Rugby and Stratford-upon-Avon. Additionally, there are many things to see and do in and around Coventry itself.
